24/7 Recycling Now Available at Jubilee Foods

The city of Branson and Jubilee Foods have teamed up to make recycling convenient anytime of the day or night for residents and visitors.

A new blue recycling trailer has been placed under the Jubilee Foods sign on Hwy 76 that makes it easy for citizens to drop off any recycling items at any time.

Hosted by the grocery store and supervised by city employees, the trailer accepts cardboard, tin & aluminum cans, plastics #1 & 2 and all types of clean paper.

According to Branson Engineering and Public Works Director David Miller, The recycle trailer's 24/7 convenience makes it easy to just drop off recycling material anytime people go grocery shopping. Furthermore, Miller said it serves everyone -- visitors, area residents, and even businesses along the strip.

Miller said cardboard should be flattened prior to drop off, and cans and bottles should be rinsed and lids removed. Labels, he said, are ok, but no tissues or paper towels.

Branson Environmental Specialist Mona Menezes said food contamination can ruin a load of recycling and cause sanitation issues, so throw away items which have food residue, such as pizza boxes.

For full information on how to recycle, go to bransonmo.gov and click the [recycle link](#) or call 337-8566.
