### **Branson Police to participate in statewide seat belt enforcement**

The Branson Police Department will be joining statewide law enforcement May 24 – June 6 for an aggressive “Click It or Ticket” mobilization to crack down on Missouri’s safety belt law violators and to reduce highway fatalities.

Nearly one in four Missourians still fail to regularly wear their safety belts when driving or riding in a motor vehicle. Seven out of 10 Missourians killed in traffic crashes are unbuckled.

“Every day someone dies in a crash in Missouri because they weren’t buckled up,” said Assistant Police Chief Steve Dalton. “We’ll be out there to remind you that seat belts can and do save lives every day.”

Dalton said regular safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
