Blasting to close Epps Road Bridge periodically for the next week

The City of Branson is advising motorists that there will be delays periodically on the Epps Road Bridge due to blasting for a new sewer lift station adjacent to and under the bridge.

The delays begin today (Wednesday) at 11 a.m. and again around 2 p.m. These delays are expected each weekday morning and afternoon through July 23 and should not last more than five to 10 minutes.
